- (a) I.....understand that I am entitled to cancel this contract within five days of the date on which I signed this contract, excluding the days of signature as well as Saturdays, Sundays and public holidays. This cancellation must be conveyed in writing by me and must be received by the seller or any employee of the seller, within the five days period, at the physical address of the seller. "in writing" includes the use of electronic means to transmit messages, provided a hard copy of the message can be reproduced without alteration by the seller.
- (b) ☐ I prefer to pay the course fee in a once-off payment, whether by cash, cheque or debit on my credit card.
☐ I understand that should I select this option, the seller will be credit with the full partnership fee, and I will have to make monthly repayments, including interest at the prevailing interest rates to the bank.
☐ I prefer to make monthly payments on my credit card.
- (c) The terms, conditions and costs involved for both options were explained to me and copy of the contract, which include the statements above as well as the signed statement by seller that I will be refunded the money paid by me should I cancel this contract within five days, was handed to me. I have not made any verbal promises to the buyer which are not printed in any official literature of the firm. upon termination of the contract by the buyer as set out above. I shall, within five days as defined above, refunded all payments made by the buyer or reverse any credit transaction.
- (d) I have read and understood and agree to be bound by the terms of this agreement. I confirm that no verbal promise or warranties other than contained in this Order form and the Agreement have been made by Ubuntu Business Academy or its agents or representatives. Subscriber hereby authorises Ubuntu Business Academy to debit subscriber's credit card and withdraw amount due from Subscriber's bank account set.

Credit Grantor may:
 Perform a credit search on the applicant's credit profile with one or more of the registered Credit Bureaus when assessing the applicant's application for credit. Monitor the credit applicant's payment behaviour by researching their profile at one or more of the Credit Bureaus. Use new information and data obtained from Credit bureaus in respect to the applicant's future credit application. Record the existence of the applicant's account with the Credit Bureau. Record and transmit detail of how the applicant has performed, and how the account is conducted by the applicant in meeting their obligations on the account.

Thank you for your enrolment at Ubuntu Business Academy. We would like to share our immense gratitude with you for the decision you took to study with us.
